“ Dear Family:

I was saddened this morning to learn of Aunt Nancy's passing. I know that you have many, many precious memories that will sustain you through this period of loss.

When I think of Aunt Nancy, a smile comes immediately to my face, especially when I think of the friendly arguments she and mom (Elizabeth Anderson) had over the simplest things. Then how Aunt Nancy would laugh until she became red in the face because she'd gotten under mom's skin again.

I will never forget her humor and sense of fun. I wish I could be there with you; and to see you all and your families after so many years.

My sincere condolences,

Sharon
