“ *Well, auntie you slipped out of here just like your brother (Son). There is nothing more honorable than when the heavenly father calls you home. You have always been a thoughtful person and very supportive towards me. The times when we were in your basement talking amongst each other were the best memories I've had. I will remember you forever and will always say a prayer for you and those who have gone home before us. As the Bible says, to be absent from the body is to be present with the Lord. Rest now. Sleep now. You have fought the good fight and have passed the test. May you have a good time meeting your maker and loved ones in paradise. We love you!*
