“ *My thoughts and prayers are with my family during the passing of my cousin, Olee. Take comfort in knowing that to be absent from the body is to be present with the Lord. I can imagine the cloud of witnesses that were waiting to welcome him home, especially Aunt Ethel, Vivian and Tim. I know that Curley was saved, so we don't weep as though there is no hope, for those of us who know the Lord and accept Him as our Lord and Saviour will see him and our other loved ones again.* ”
