“ *Although I have only known you for a very short while, you earned a place in my heart and memories I will never forget. I was so saddened to hear of your death, you used to always tell me you would call me, and take me home with you, and i would never have to work again, we had so many great conversations, some of which I will never forget. We still talk about the .50 cent pop, hope you are laughing at the story from heaven. Well don't forget to stop by and see me in my dreams and call me from heaven. Wish I could have said goodbye, but thanks for all the good times we had shared. I will never forget that smile and your amazing personality! RIH, love you Mrs. Ora*
