“ *With sorrow, I have just learned of Ora Mae's passing. I worked with her as a fellow nurse on the night shift at the VA Medical Center for a long period of time. She often spoke highly of you Aaron. You were her pride and joy. My thoughts and prayers go out to your entire family during the very difficult time.*

Ora was one of the most professional and dependable nurses that I have worked with over the years. She was always very kind and compassionate and a joy to work with. She took very good care of all her patients. You are now flying high with the angels, Ora Mae, because you were truly an angel during your time here on this earth.
