“ *I am so sorry Otis is gone. We were all close when we were growing up, but drifted apart as adults. But he has been and always will be in my heart. I want everyone to know that I share the grief they are experiencing. No matter how many years and miles separate us, I will never forget you.
I will always love you all.

“ *Uncle Otis, you will be dearly missed by your nieces and nephews. We always laughed at the things you'd say to us. I know you're with our Heavenly Father now at peace. I pray that God strenghtens our family during this time of sorrow... for joy always comes in the morning.*

“ *Dear Otis, this is Carol, your #3 sister. When I saw you the day before you passed away, your face was such a glow and radiant, when I looked back to say good-bye, I knew at that time you was ready to make another transition in your life. God has called you home, there will no tears, fears and trouble of this world. You held on and fought til the end and I must say, I was deeply sorry you were taken away from us so soon. I pray that God will continue to strengthen and be with the Mitchell family. God is there, he will not leave you nor forsake you. Deut. 31:6*

“ I just saw you two days before you died. I thought to myself that I thought you were gonna make it seeing that you looked okay and all the last time I saw you. But, unfortunately it was your time to go. You always had us laughing at anything you say, I'm sure that all of your family wanted to see you stay, until you went away. I hope that your spirit will stay with us and love you always !!! R.I.P

“ "Do not let your hearts be troubled. Trust in God, trust also in me. In my Father's house are many rooms; if it were not so, I would have told you. I am going there to prepare a place for you. And if I go and prepare a place for you, I will come back and take you to be with me that you also may be where I am.
