

Mr. Otis Olander Washington II

April 12, 1982 - September 18, 2020

Otis Olander Washington II was born April 12, 1982 in Torrance, California to the proud parents of Pastors Otis and Charlene Washington. He left for Heaven on Friday, September 18, 2020 at the age of 38 years. We will miss him. Otis was gentle, kind, and a man of faith. Growing up at Holy Communion Gospel Center, Otis served as a drummer, mentor and he ministered in song. He was called by God to teach The Word of God, simply, yet profound; transforming the lives of the hearers. Otis was never ashamed to pray and call on The Name of The Lord. He was loved and respected by many, revered as a Son of Saginaw.

Otis played football from Middle School through college. He started Varsity Football Freshman year at Saginaw High School. Saginaw High's football coach could argue that Otis may have been amongst the most talented group of athletes ever to play on a single team in Saginaw football history and arguably, Michigan high school history. The team took its place among the greatest in Saginaw history then they were inducted into the Saginaw County Sports Hall of Fame (M Live article). Otis attributed these accomplishments to their honoring God, having one vision, unity and following leadership. He loved and respected Coach Durrent as a father. He graduated from Vanderbilt University, where he played football, and mentored as well.

Otis' gift and love for music and song, stirred his creative ability. From their

home studio, Otis and Dee produced Worship Music for the soul as well as Gospel Rap; always with a story to make you think and convert.

His love for God, all family, and the human race, brought him before many great people. Otis was nonjudgmental, wanting everyone to have a fair chance to grow, and develop into the life God promised.

He loved his wife, Denishreion and their two daughter's Taylor Hannah and Savannah Brielle (Berries), he leaves them to cherish his memory; he also leaves his mother, Pastor Elizabeth Charlene Washington; parents in love, Cathy and "Pop" Dave Williams and Leon and Angelia Cotton; his siblings, Krystal Walton, Los Angeles, CA, Rickey (Ulanda) Fields, Brandi Washington, Dawnika (Ellison) Benson; a very special cousin like a sister, Ashley Butler, Nashville, TN; nieces, Aerial Fields and Ellie Benson; nephew, Devin Walton; uncles, Andy Southern, Harold (Debra) Southern, Huntsville, AL, Maurice (Geraldine) Southern and Melton (Patricia) Southern; aunts, Birler Southern, Essie Smith and Corine Hightower, both of California and Christine Washington, Stone Mountain, GA. He leaves to carry on in faith, his cousins, who were like brothers, Emmanuel (Arleayera) Southern and Joshua (Alicia) Southern; many cousins, friends and extended family whom he loved. He leaves to celebrate his love to all family, Christian Teachers, friends, mentors, teachers, counselors, and His Nationwide Team.

Otis was preceded in death by his dad, Apostle Otis O. Washington, Sr.; grandparents, Andy and Lucy Southern, George and Bertha Washington.

“ Otis was an amazing individual and radiated warmth and joy wherever he went. We never saw him annoyed even when asking for help on top of his busy workload, he was always happy to help with whatever he could. He touched the lives of everyone he came across no matter how small that interaction was, it always left a lasting impression and left you wanting to be better. It is such a tragedy that the world has lost such a special person, we need more people like Otis. To the Washington family - we are so, so sorry for your loss and will keep you in our thoughts and prayers.

You will be missed. When I was informed of your transition it was saddened news. I couldn't believe it. But may the good Lord give you your wings for the good you've done in the World. “ *We met this past summer on a beach in Caseville. He had a group of children with him at the beach. He sat 10 feet away or so and watched the children playing. There were four of us sitting on the beach and we struck up a conversation. He was so easy to talk to and seemed to have such a peaceful nature. We talked about football and he said he was originally from Saginaw which is my home town also. We*

All remembered the team he played on because of all the great athletes that played at that time. What a pleasant man. He shared some of his high school stories as well as some of his collegiate years at Vanderbilt. He never boasted but you could tell he just loved the game of football. What a shame such a gentle, genuine man left this earth too soon.

He couldn't help but spread positivity, he didn't even have to try. If you were fortunate enough to cross his path you left feeling better, lighter. He truly was an incredible person and I will remember the lessons he taught me for the rest of my life.*

“ *Otis was such a beautiful person. So warm and caring, someone I respect, someone whose leadership I value. Impossible not to love. It was my privilege to have him share his life, music, and love with me. I am so thankful to have known him, and he will never be far from my heart. Please know that your father, your husband, your son was loved and respected by so many here. Love you Otis.*

“ When I met Otis at Saginaw High, he was kind, respectful and funny. As we graduated that sweet black and gold, we made more memories and prayed a lot together. As I left the state of Michigan, his love for the Lord and others kept us connected. It is such a sad thing to lose Otis, so young and unexpected. May he rest peacefully and his family find strength and comfort knowing he was such an awesome person that touched many lives for him to shine through them. You will be always missed Otis. XOXO

“ My name is Yolanda and I work in the San Antonio TX office, I am on Becky Townsend's team. I had the pleasure of working with Otis on a project and he was always kind, professional and ever so helpful. He was very approachable and would go out of his way to help. He will be truly missed. God Bless You and Your Family. You have my heartfelt sympathies.

“ Otis was the first happy face I saw when I joined Nationwide. I'll never forget how he took our class under his wing until our supervisor arrived in Columbus. Every day he would come over to our desks individually to see how we were doing and to say hello. Even after we both moved on to different roles within the organization, he always had a moment to stop and say hello if he was in the area. Otis was the first person to address me as Miss Viv and it stuck. Going forward, whenever someone calls me that I will remember Otis and his caring ways. Treasures like him don't come around very often.

My heart goes out to Otis' family and friends. You all will be in my thoughts and prayers.

“ Big 'O' was one of many brothers I meet during my time at Saginaw High School. He was a good friend to me from those high school days. He was a great student, a great classmate, and a very talented football player. After graduation our lives started as men in this world. One thing I know for sure of Mr. Otis Washington II is that he was a great man with a good heart. I give my respect and pray for many blessings to the Washington family, MAY GOD BLESS YOU ALL 🙏...

“ This breaks my heart....Otis was one of a kind! The best boss I could have asked for and always so positive and kept us all loving our jobs. I havent worked with him in years but just spoke to him about a week ago. I am so glad we connected once more, and if I had known it was the last time, I would have told him how much love and admiration I had for him. Much love to the entire family.

It was an honor and a privilege to know Otis. We worked together at Nationwide and although, the distance was OH to NE you felt his presence in every interaction as if he was sitting across the table from you. He was the kindest soul and always lifted others up. Steadfast prayers to his family. Otis was one in a million. Sending much love - Kathy Buehler

“ My heart is broken. Otis will truly be missed by everyone he touched at Nationwide. Otis was my first friend coming out of training in 2013. He was yelling across the room, “Carla, Carla, CARLA”, I finally acknowledged his yelling as he was looking straight at me. I said Are you talking to me? He said yes you are Carla, I laughed and said my name is Paula. From that moment I was Carla and he was Opie (the only O name I could think of in the moment). We have known each other for years and every time we ran into each other it was always, Hey Carla, followed by what’s up Opie. I will miss you. My condolences to his family and friends. Heaven got an Angel for sure. - Paula (Aka Carla) Miller
