“ To my family: I am going to miss my Aunt Della! She always had a smile on her face whenever I got a chance to see her and she had a warm tone in her voice when we talked on the telephone. She was a blessing to me and my family. Gary and Walt God is watching over you all during this time, keep you head up! We need to lift each other up in spirit. All my love!

“ It's difficult to bear the loss of Aunt Della. It is helpful to know the the loving memories will be a comfort in this time of sorrow.

May the God of healing ease our pain, May the God of grace lift our grief, May the God of Love comfort our hearts and May the God of hope fill our soul with peace and sustain us always.

“ I want to give my heart's sympathy to Bro. Sangster. All those long walks to the East Cong. to make it to your kingdom hall so that you can put me in the car group Of a certain sister....memories are priceless. So are the memories that I have of Sis. Sangster, I always seen her with a smile and a book bag for service. Jehovah has blessed you both with the beauty of having served side by side, shoulder to shoulder, that's indeed a blessing. I only pray that you continue to provide the excellent example that you've always shown me. Your love for the ministy and most of all your love for Jehovah. We're all on death row in this system, but we do have a hope, a hope that is solid. As Joshua said, NOT ONE WORD, has failed, it's all come true. So bro. I want to say I'm so very sorry for all of our loss but even more so yours, and that I will be calling you to see how you are. I love you, take care.
Your little bro. BRIAN WILLIAMS
