“ Please accept my sincere condolences for your lose. I pray that you will find comfort in God's promise of a resurrection. Death is not the end because God provides a wonderful hope regarding our dead loved ones. Jesus said the one who exercises faith in him, even though he dies, will come to life again to the new earth that we are awaiting according to Jehovah God's promise where sickness and death will be no more. I pray that in time the sadness that you feel today will be replaced with happy memories.
