“ *Written on the Eve of Her Transition: "On 18 January 2021, Patricia "Pat" Williams, one of my neighbors passed away from Covid-19. When my husband and I were newly married and new to this subdivision, we were strategically and blessedly placed around three older couples -- one couple flanked us on each side of our home (north and south, directionally) and another across the street (west). These men and women have welcomed us with a special warmth over the years. Unfortunately, of these three couples, one couple has passed, one couple remains, and the other just lost his better half. She was a retiree, a mother, grandmother, wife, and friend. She was always ready with a smile and a kind word. I smile even now as I think of her bright and exuberant spirit. When I began my health journey by walking in our subdivision a few years ago, I could find no one who encouraged me more--she even invited me to join her and her walking parking during their high-impact regimen. Last night, I was quiet and contemplative after my husband said she was not fairing well. Moments ago, we heard she finally made her transition. For almost a quarter of a century, I have been her neighbor, and she always remained the same--this feat is no small one. May God cover, bless, and strengthen her family, friends, neighbors, and our community, which she and her husband served faithfully for several decades." Peace and Love, Mr. and Mrs. Sammie R. Shaw, Jr.*

“ God gained a good person up there in heaven! To us Pat is gone to soon but we know God has a plan for her so he took her away from us. I used to work with her at the Post office in Saginaw. She gave me the nickname of Crook. So whenever she came into work and saw me I would hear Hey you Crook. I always called her a Crook too all in good fun. If I saw her at the casino and she saw me it was the same thing. She could be half way across the casino floor and I would hear someone call me very loud Hey Crook would are you doing? I would always answer hey Crook back and people thought that both of us were crazy. I worked with her as a employee and a supervisor and it was could times working with her. I will cherish the time I had with her, she didn't know it but sometimes just the sight of her would brighten my day. I knew that we were going to have a fun day at work. I had the utmost respect for her! My deepest condolences go out to her family and friends. Until we meet again you Crook May you Rest In Peace!

Rest my friend, I will see u again, much love to the family from my family who loves her and her family as well. “ My sincere condolences to Azolo, her children, grandchildren, siblings, and other family members. Pat and I go way back to 3rd street park, where she was queen of that soccer ball. Potter, Arthur Eddy, and Saginaw High were our schools of solidarity. Whenever we would see each other after not seeing each other for sometime, it was just as fresh as the time before. May she rest in perfect peace and may her family find comfort in Jesus. Much love to you all.

“ Our heartfelt condolences, prayers & love to the family of Mrs. Patrica Williams. My friendship with Pat goes back to our childhood days; playing in 3rd Street Park, singing in the talent show & walking to Potter Elementary & Arthur Eddy JH schools. She was a wonderful lady & her presence will be truly missed by all of her family & friends. “Blessed are those who mourn, For they shall be comforted” - Matthew 5:4 🙏❤️ - Robert & Jannis Corley & Family

“ My prayers are with the family, I have Good  
memories of Pat. I attened Arthur Eddy  
School my 7th grade year, Pat, Sadie Triplett,  
Vera King and myself made up a dance and  
tried out for the Big shown we were chosen  
by Mr. Porterfield, when I went home And told my Mom, she looked  
at me and said we will be moving in a week and you will be  
changing school, I was so upset. Rest on my friend. God have  
reach down and pick an angel.

“ To Azola, Tolerance, Baby K and the entire family of Patricia  
Williams, my heart has been heavy with sadness since I learned  
that Pat had made her transition. She was not only a great friend  
but also a wonderful asset working with the Tabernacle M.B. Church  
Kitchen and Beautification Committees....ALWAYS willing to do  
whatever was necessary. She often said 'I do this for the Lord'. She  
was fun to walk and talk with at Hoyt Park during the summer and  
she absolutely loved her great grandbaby--baby K...always smiling  
when she talked about her. Pat was always helping someone make  
their life better. She was doing Gods work. I am blessed to have  
known her and I will miss her. I miss her now.
