“ *Rest in Heaven, Grandpa! Thankful for the childhood memories I have to look back on. Forever grateful that you got to meet and approve of my fiancé. The last time I saw you lucid moments were rare and speech was slurred; you very intentionally squeezed my hand turned my direction and said "I really love you."*

I know your parents, brothers, sisters welcomed you into heaven with a glorious celebration. May your reunion with Dorothy bring you peace, comfort, and happiness.

You are loved, missed, and remembered always.
