(Hill) Wilkins and Pauline was my friend throughout school and adulthood. She followed me in my lifetime and what I was doing. She never said, an unkind word to me but encouraged me and we were always happy to see each other and share life's stories. My prayer goes out to you and if anyone made it in. I believe she did!*

“ *Pauline*
So glad I had a chance to hear voice. You told
you loved me and I love you.
But best part of the conversation was when
you told good night. I will keep that one
moment in my in heart always. Till we see each other again.
I love you big sister. Your lil sister
