“ I met Mrs White about thirteen years ago. We talked about everything. She gave me good advice like when my husband was ill she said "Sweetie you have to take care of yourself if you are going to take care of him." Thank you for that. I heard her sing, had a beautiful voice. Was a good cook, I will always remember those pig feet she cooked one time. She was generous to a fault-would give you the shirt off her back. Now you are with your Heavenly Father and at rest. I love you still and I will see you later.
