“ I know that your hearts are heavy and the pain seems unbearable but God is and always will be in control and he will never put more on you than you can bear. Remember the good times, your mother's lovely smile and most of all her unconditional love. Things will get easier as time goes by, look around you and see the lovely legacy that she left behind and know that she will ALWAYS live on in your hearts. GOD BLESS YOU ALL and may he give you the strength to endure and accept his will. I Love You and You are Forever in My prayers.... Stephanie
