“ Aunt Carrie, Stephanie, and Uncle Zack we are sad today in Nashville , but we know that God never makes mistakes. The bible says in Matthew 5:4 Blessed are they that mourn for they shall be comforted. Believe that. We are praying for you with all that is within us. We love you and we hope that each of you will continue to look to the hills , from whence cometh your help. It will come from God and no one else. God bless you and the famiy and we will continue to pray for our entire family during such a difficult time. Hold on each of you to God's unchanging hands sincerely THE NASHVILLE GANG

“ To The Zackrie Family words cannot express the sadness that entered my heart when I heard the passing of Quincie. I remember when I use to babysit him and Stephanie. He was a very nice young man and soo handsome. The last time I saw him was here in GA working at Circuit City. He never forgot me babysitting for him and his sister. Carrie, Zack and Stephanie eventhough God has called Quincie from his earthly home, he will still be with you here on earth in spirit. You have my deepest sympathy and also my prayers are with you all including the other family members. Honestly speaking he is in a better place. May God comfort each one of you. Love, Ann

“ *Steph,
My sister and brother and I have such fond memories of growing up with you and Quince. We are deeply saddened. Your loss is our loss. My parents are heartbroken for their sister and brother, Carrie and Zack. My dad fondly remembers Quince as his first "Jackson nephew" who referred to him as "Unc." We are praying for you and with you. We have the best of memories of summers spent there and here in Louisiana.*

“ To the Family. Just want to let each of you know that my prayers are with you and that GOD is able to bless and keep you during this time of loss. I wrote some words to comfort you below:

IT?S GOING TO BE ALRIGHT

No matter what you are going through right now, no matter what you have gone through in the past and no matter what you will have to go through tomorrow, no matter what they say, no matter what they bring my way, no matter what you do to me, no matter what you say about me, please remember that IT?S GOING TO BE ALRIGHT.

I know it doesn?t feel good, it doesn?t seem to be right, it doesn?t appear to be fair, it doesn?t sound rational and it doesn?t figure to be reasonable. Please remember that IT?S GOING TO BE ALRIGHT.

Seems like I can?t win for losing, I can?t bend from breaking, I can?t move except for shaking, I can?t speak without lying, I can?t sleep without dreaming, I can?t see without staring, I can?t feel without loving, I can?t get mad without hating, I can?t read without studying and I can?t hurt without crying. I still believe that IT?S GOING TO BE ALRIGHT.

Finally, I reach a place in this life that I have learned to be content, content with what I see, content with how I feel, content with where I am, content with my family, content with my friends, content with the sky so blue, content with the grass so green, content with the air I can?t see, simply I am content with being me. IT?S GOING TO BE ALRIGHT.

“ To the Zachrie family, words cannot express how deeply sadden I am today in the loss of my dearly beloved friend, Zack. I know beyond a shadow of a doubt that he is peaceful and pain free. Zack and I on last year had some really long conversations about his family and how much he loved and cherished all of you. Stephanie he was so proud of you. Ebony he cherished you and his grand-babies. Quince II and Brandon, his boys, he was always talking about you guys, he loved you guys very, very much. To Ms. Carrie and Dr. Zachrie, his loving parents, Zack was always talking about you guys too and how much he had great parents. We always had wonderful conversations about our families. Beyond a shadow of a doubt he loved his family with all his heart, mind, and soul. R I P Zack

“ To the Zackrie Family:

Please accept my condolences for your loss. I had no idea that Quince was so close to me here in Georgia. Unfortunately, I was on this website looking for my uncle's obituary and saw Quincy's. Stephanie, we lost contact years ago after ballet classes, but I did want to express my sympathy to you and your family. It would be great to hear from you again. God bless you and your family...you're in my prayers.
