I know it's been hard and I sorry that I could not make it to be with you for I also was going through but through it all God has blessed us with the life and legacy of our love ones. The tears we shed helps us to know their love will always be in our hearts. I'll keep praying God's blessing to be upon you.

To the Entire Williams, Tuckers, FeFe and Chill Will Family, my sincere condolences goes out to you all. I know you all love "Q" but remember God loved him Most. We have these kids but we must always remember they are only borrowed to us because they came from God and at some point in our life we must give them back to God. Hopefully, we would like to go first, but also remember we have our plan but God has the Master Plan. We can't question God doing although it hurt "Oh So Much". God will see you all through this and with all our prayers you will see it through, prayer changes things. Love yall!!!! I can go on on because I considered him my second Son. Prayers and Blessings to the Entire family.
