“ My little cousin. I've known him his whole life and I have nothing but fond memories of Boogie. I remember Christmas Day during the 80s and Michael Jackson jackets were very popular. James, Clarence, and Boogie walked in Grandma's house with Uncle Ralph. They had gotten their jackets for Christmas and all three had them on. James had a Jheri curl, Clarence had a curl too. Clarence even had the little curl pulled down on his forehead just like Michael Jackson did. Boogie was the baby and he didn't have a curl. He looked more like the Jackson 5. He so little and cute and always looked like Uncle Ralph. They walked in with their jackets on and kinda posed right by the front door. The mage stuck in my head is actually hilarious but I didn't laugh though. I had gotten the Michael Jackson doll that same Christmas and he had on his little Thriller jacket. Nothing but fond memories cousin. He cut Nate's hair several times when he was little. Nate would act up if anybody else cut his hair except Boogie. Boogie was funny as hell and a genuine person. Now you're with our family in heaven where the love flows freely and there's never a painful good bye. They'll never be another Boogie and we are all so lucky that you were ours. Love you cousin... rest easy ❤️
