“ *My Uncle Ralph was the epitome of a truly great uncle. From my earliest memories until the last time that I saw him his mere presence brought nothing but peace. He was always there for his family and always gave the best he had. The wonderful memories that I have of him will never fade from my heart. And every thought of him will speak loudly of the great person that he was. Rest in heaven's glory Uncle Ralph.*

Fly high good friend. Take God by his loving hands. You will be truly missed. The last time I had the pleasure of seeing you was at the Black Art Festival 2019. We shared some deep conversation together past and present. You have helped so many people with your giving heart (GOD knows your heart) throughout your lifetime. You were a gentle person at heart. You shared with me the illnesses you had been battling. I know that all things are new for you now. RIP/RIH and tell your sister Hazel I miss and love her. To all your children, grands and extended family may the holy spirit wrap his loving arms around you all. You're in my thoughts and prayers
