“ To the Box family. We send our prayers and deepest sympathy to you. Rasie was like my big brother. Anytime I was home...if I needed a place to stay...I was always welcome. I talked with him a few months ago and I had planned to go down to Greenville to visit. Now I know we'll see each other again in heaven. You know he cared a lot for you he talked about you all the time. May God continue to bless and keep all of you.
