“ We would like to express our sadness at hearing of the homegoing of Brother Strong. Our family feels that it was a blessing for us to have known him because he touched our lives in a special way. There was always encouraging words from Brother Strong for the church music department. We will also remember him standing out in his yard and waving to us as we passed by on our way to my parents home on Annesley Street. Again, we express our heart felt sympathy and we are praying for you and will keep you continually in our prayers.

“ To Aunt Lurl and the kids my thoughts and prayers are with you during this trying time. All my love and thoughts are with you in my absence. Hold on to God's hand and always remember he is in a better place with God's love and looking down on you and watching with love. Keep him in your hearts and memories and take it one day at a time, nothing can replace him or his love but hold onto the fact that you will one day see him again.

I Love you all

“ We pause at this time to extend our deepest sympathy and prayers to the Strong & Robinson Family. There are no words to share that can ease your pain, but we pray the family and friends will find comfort in his memory and from the almighty God.

As a young child, I can still remember Bro. Strong, an Usher at Clover Hill M.B.C., trying to keep us quiet and teach us how to conduct ourselves in god's house. May he rest in peace.

“ To Ms. Ozella, Lurlene and the rest of the Strong family- you're in our prayers.

As time gently eases your grief, may beautiful memories restore the joy that has been taken from your heart.
