RIP my Friend.

You were not just a friend but you were like a brother to me. We talked practically every day. Our long conversations were filled with a lot of laughter, memories of Washington street and growing up at Mt. Olive. Those memories will forever be cherished.

Rest in eternal peace my brother. May your family and your friends find solace in the love and memories you left behind.

Until we meet again 🕊️🕊️

“ *Our deepest Condolences to the Robinson's family. Reggie was a good friend and always had jokes(lol). It was a joy having him around at friends and family gatherings, especially during Halloween time passing out candy and decorate as if it was Christmas time according to him and a few other friends (lol).*

Reggie had a love for kids as well and I just want to say thank you again for being so kind and thoughtful to my kids and nieces and nephews from the time they were not able to see over the counter at your family's store and as they became young adults. They all loved you too..

May you rest in peace in the arms of the everlasting God..
