To Revis and Sandy. May God strength, comfort, prayers and peace be with you, as well as the family. May the fondest memories of our love and laughter stay in our hearts over shadowing us with peace of God who passes all understandings. Knowing he's at rest in the arms of our heavenly father. Love your Sister Avis and family.

“ I always enjoyed taking care of my "buddy". Revis was always enjoyed visits from his family and his trips home for his "custard pie". I really wanted to be there for his service but am not able to find a replacement at work. It was a pleasure taking care of you Revis..... God bless you and your family as you enter your next circle of life. No more dialysis and no more "snitches" you fought the fight now its time for rest. Will never forget your song of "blue suede shoes"  
God bless
