“ *Della, I never met your brother, but I remember how you always referred to them as Richard-Grover. You told me that, " If you see one of them you'll always see the other one. Well that was back in the seventies when we were in jr high school. My prayers go out to you and your family. I time, may you find peace.*

“ *A good husband, son, brother, uncle and friend has been called from the work of the world to the glories of Heaven above. Gone but never forgotten.*

To the entire family, I pray your strength in the lord that together as a family you will lean on each other as well as the friends who come your way. Look to the hills from whence cometh your help, all your help comes from the Lord.

Rest on Richard, rest on and I will see you on the other side.
