“ My heart felt condolences go out to Annette, Jason, Justin, and all of his family & friends. I am sorry for your loss and sad to hear of Ricky's passing away. I met Ricky in 1990 when I worked at Kids R Us, he was always nice to me and everyone there. I remember when Jason was born and how he smiled even bigger than he already did anytime he would talk about him. A funny memory of Ricky is when I was late to work because I got a speeding ticket and he told me to don't ever do that again because the speeding ticket was going to cost more than my check.

Ricky was one of the most stand up men I have ever met, just a genuinely good person, who loved his family, friends, & of course basketball! I've heard that everytime you do a good deed here on earth that angels in Heaven get Heavenly materials to build your home there and the more good deeds you do the more materials the angels get. I don't know if that's true but if it is then I know Ricky has a mansion with an NBA size basketball court!

Lord please give Annette, Jason, & Justin and all family & friends the strength they will need today and the days to come. Amen

Rest easy my friend. Donna K & family

Knowing Ricky for so many years, going all the way back to Webber and through Saginaw High and then getting reacquainted during our time together at Amigo, I am very saddened by this news. Whenever we would run into Ricky at the Y or out shopping, he would always stop and visit, he was such a kind person.
