“ *To the McGlothin Family,*

*Deatte, Rita & Family.*

*My Deepest Sympathy. My prayers are with you all. We are never prepared to lose anyone, especially those we love and cherish. Please remember the biblical account of Lazarus when Jesus told Lazarus sister Martha at John 11:25 " Jesus said to her: I am the ressurection and the life. He that exercises faith in me, even though he dies, will come to life." Even Jesus wept and groaned within himself about Lazarus death prior to telling him to come on out of his grave (memorial tomb). So you all keep the faith, and perservere in prayer because the ressurection is very real. Your brother, son, and relative will rise from the sleep of death.*

*My prayers are with you all.*

“ I met Robert by being one of his job coach's at SVRC. We shared many days of laughter. He used to call me big head, and make fun of this bright orange purse I used to carry. Even when I left in aug.2007, I still visited him at Work First on occasion before he started working at splash village or stop by in the afternoon before he was getting on the bus to go home. I will miss Robert, he will have a special place in my heart.

“ *I was so sorry to hear about Robert, he worked with our cleaning crew here at SVRC Michigan Works Program for a long time and he was such a job to know. I just saw Robert at Cracker Barrel last week on Wednesday when we went there for dinner and he was laughing and talking with friends. I think he was there with his mom. This was such a shock. May God Bless all his family and friends with God's peace as only HE can give it. He will be missed.*

“ Robert, I am going to miss seeing that big smile as you open the door for me at the church on Sunday mornings and you give me a big hug. Then we have our little talk. I will cherish those memories forever. You took your duties at the church very serious. First you would come into the secretaries office and empty the trash, then you would get the offering-envelopes ready for the Ushers to hand out, then it was time for you to clean the glass doors...nobody could make the glass doors shine like you could (smile). After that you would find your seat on the back pew in the sanctuary so you could have quick access to help scan the parking lot and the Fellowship Hall just to make sure that everything was going alright. Thank you for being such a huge part of my life...I miss you already but I believe you are in a better place. I hope to see you in heaven. Love Ya, Missionary Omia.
