“ I Lost a Brother Today. But what hurt most is my kids lost a Uncle who was like a father to them. whom will miss dearly. Uncle Andy always kept us laughing together. He was the younger brother of 3 and took on the responsibilities of the oldest.

I am truly sorry for thoes who do not have the memories that we have of Uncle Andy. I wish you could see how much he made us smile. He played daddy to sooooooo many kids of his brothers. That as a sister in law I was truly BLESSED HE WAS HERE TO HELP.

“ I LOST MY DAD TODAY, I HEARD IT BY MISTAKE
THE DAD THAT WAS GAVE TO ME
THE LORD HAS CHOSE TO TAKE
HE NEVER CALLED TO SAY HELLO
OR EVEN SAY GOODBYE
OR SOMEONE WOULD ACNOWLEDGE ME
OR CALL, OR EVEN TRY
I LOST MY DAD TODAY
AND I SHED A TEAR
HE LIVED AND DIED THE SAME DAY
LIKE HE WAS NEVER HERE
I LOST MY DAD, MY FAMILY BUT HIS NAME
WILL CARRY ON THROUGH THE YEARS
WITH PRIDE BUT NOT WITH SHAME
I LOST MY DAD TODAY, A PART OF ME STILL LONGS
I LOST MY DAD TODAY BUT WHERE DID I GO WRONG? your

“ Robert, You was not only the father of my child but you was my friend first. I remember the times we just use to just hang out at taco bell in Danville, IL and eat up some things. I could go on with the memories. And those I cherish the most. I am so glad I have one gift from you and that is our daughter Alexis. You will be sadly missed!

“Daddy as I watched you lay there in peace Tuesday night, all my anger and fear came rushing back to me at once. I wish I could have heard your voice, I wish I could have felt your warm embrace. I wish I could have seen your smile..since everyone says I smile like you. Daddy I had 11 years of anger and resentment against you. Until tuesday night. I looked at you and saw me. I always asked my mom questions like where did I get my beautiful dark complexion and my full full lips. And Tuesday night those questions were answered. Even though I never got to tell you this I love you now more than ever! You may be gone, but you will never be forgotten. You live and breath through me. I am a reflection of you. I thank God for you and my Mom giving me life. I know you are in God's hands now and everytime I close my eyes or look at your pictures I feel a warm current go through my body and I know that is you daddy hugging me, kissing me and giving me all the love that you could not give me while you was on earth.
Rest now daddy and I will see you soon!
Love You Always and Forever
