“ Thomas Family, I was saddened to learn of Robert's passing. Please know that you are in my thoughts and prayers during this difficult time. Take comfort in knowing that to be absent from the body is to be present with the Lord.

“ Sending special condolences to my nephew Stacy Andre Hawkins. You were given the honor to get to know and spend time taking care of your father before he went home to be with God. Even more than that God gave your father enough time to know his son. That is a blessing all by itself. I am positive he appreciated every moment he spent with you. Take care and continue to be all that you can be.

“ To the Thomas family, I've know Robert for many years he nicked name me Pluck. In playing 3-5-9 he would always pluck me. Over the years and many phone calls later I was still Pluck to him. I lost a dear friend no more telephone calls, no more card games, but I will cherish the memories, the laughter and advice he often gave me. I pray God will embrace you and send his angels of comfort to the family in these difficult days ahead. And know time will soften the edges and ease your burden. With heartfelt sympathy Althea Hatter.
