"Spoon" was a guy who always kept us laughing when we were kids back in the day. I will miss that laugh and the jokes he cracked on so many people. May God dry the tears from your eyes and the memory of your loved one give you comfort during this difficult time.

“ To the entire Witherspoon family I send my most heartfelt condolences to you in the loss Robert Jr. His presence will be missed. Robert Jr., as I affectionately called him, was full of humor. He could make you laugh in an instant. His humor was contagious. Even in the midst of his struggles, he found a way to laugh. He was a man who loved his family and was always willing to lend a helping hand to those who were struggling as well. I am so sorry that he left us in the sudden manner that he did, but his smile will linger in my mind always. I love you cous and will always remember the good times we had growing up together. Thank you for making me laugh so much. I am convinced that you are in a much better place and there is plenty of joy there.

To my dearest aunt Juanita Witherspoon, Suzette, Margie and Walter and Robert's children and all of the the family, know that you are in my most sincerest prayers and thoughts constantly.

*in Christ's love
your cousin*
