“ Well Done Grandpa what a life you lived. I hear you and I feel you more now than ever before. I KNOW and I got you. There is no more sickness, no more pain, no more greed, There is no death, for when the sunsets on this side it rises on the other and the soul is set free. You are now an honorable ancestor and I will celebrate you until i crossover. See you soon and safe travels as you ascend back home to prepare a place for us along with grandma Gladys. Kiss Her for me. I've got mama.... Til We Meet Again Ascend

Rosalyn, Dexter, and the rest of the Alabama family. You will burn in hell. I will get to the bottom of how you took advantage of my father. He was crying out for me and y'all wanted to keep him separated from my brother and myself. I will definitely be in contact with my attorney's. It was alot of unethical behavior and illegal paperwork that was not put in place. If you feel your above the law, you will find out quickly. So I strongly suggest you get ready for the courts. Rosalyn, you will be arrested. We are coming after all you for falsifying documents and taken advantage of my father when the doctors clearly documented his illness and dementia. Rosalyn, you was informed verbal, a written text message was sent to you. It clearly stated that you was not authorized to take him to Alabama. I was his power of attorney. Not to mention, forgery was definitely done. All of what you did was intentional.
