“ *Beverly,*

Life can only be understood backward; it must be lived forward. I'm sure your sister did that. From my family to your family May God get you through such a difficult time, May he wrap you in his arms and hold you tight. If you need our family to assist you in anyway please don't hesitate to let us know. God Bless you and the rest of your family our Prayers are with you.

“ To the family of Roberta, my heart was very sad when i got the news of your wife, mother, sister, grandma, and friend Roberta and I worked together for a few years at the hospital. we would car pool to work. I will always have pleasant memory of Roberta. she was fun to work with. Her babies are adults now. I would love to see them all again. Remember God is always in control.
