“ I agree with my sister Rhonda. I am so thankful that I had the privilege of you being my mother and our father, raising all us kids and being both parents. Truly one of the strongest woman I will ever meet in my LIFE! You brought us into this world...but I am so grateful that I was there by your side also when you left ours to go be with the Lord and your loved ones. I love you with all my heart and will forever miss you. So until we see you again one day...I love you mom

“ Mom, i cant tell you how much i miss you..Words can't describe it at all..i never thought the day would come but it is here.. I love you with all my heart and soul.We are truly blessed to have you as our mother. You are the strongest woman i know and the most caring.. I hope when god called you home your mother was there with open arms to give you a big hug and kiss.. I hope mejo embrassed you with open arms and just smiled at you.(priceless) Our journey here without you has just begun and I pray god is by our sides.. There is no more pain for you just eternal happiness and warmth. Im gonna miss your laugh,smile and pure craziness. You weren't just our mother but our best friend. I feel like there is a hole in my heart that cant be repaired but I know in time you will help heal it..Please watch over us and give me the strength to care for my babies and the family. I promise I will do all that you asked of me with you and god by my side. I love you forever until that day we will see each other again..love you mom..miss you so much..hugs
