“ To Our Cousins

To our family Rosetta was More Than a Cousin, She was also a Friend whom we loved being around; She made everyone feel loved; (Big Mike will miss eating at the table with her as she always requested when he was around.) I will miss the conversations we had = she always "kept it real" with me.

We pray that you all will let the Happy Memories keep you and know that Rosetta is in God's Hands;

We are very sorry we can't be there in person with you all but our Spirits are there. We Love You.

“ Please accept our prayer for you all at this time. I know its been a while but our families goes back to the GRAND days of the southside. We all were like family in those days. I must admit those were some of my fund memories. That when families were family and when people really care for one another. You all hang in there and may God keep you all at this time.
