“ *To my godmother Linda and family; I'm sorry about the passing of your beloved mother, whom i had the opportunity and pleasure of knowing my entire life. Mrs. Lewis always treated my mom Early Rose like she was one of her own children. We were always welcomed and greeted with such great love. Your mom lived 90 beautiful year's and her mind was still sharp. Mrs. Lewis could recognize Early voice anywhere and she would say yeah, i know who that is, that's Early Rose. It was truly an honour to have known such a beautiful woman inside and out. I will continue to keep you all in my prayers. Love Bo and family!*

“ *Condolences to the Lewis family on the loss of your beautiful and kind mother. Rosie Lee Lewis was a giving and loving woman; she opened her home and heart to those who needed her. She raised and cared for her son and daughters alongside more than a few others not unrelated to her by blood. An amazing example of a strong woman. I have to add - those Loma Linda food products became something special in her capable hands. In friendship and love, Jacci Bates*

“ My prayers are with the entire family. May you find peace and comfort. Your mother was a beautiful woman inside and out. Her smile would light up a room when she walked into the room. I enjoyed sharing my life with her and all of the family members. I have had a life time friendship with the family. To be absent from the body is to be present with God.
