“ *You have been a truly loving Aunt. We will miss you dearly. You have shown your love for us in small but significant ways, all through my life starting with me and my son(George). You were to me a champion of the overlooked and underdogs in our family you favored us because you saw a whole that need filling in us. You filled that whole with love from your heart and sealed it with a hug and smile.*
Love you and miss you. Aunt Kate.
