“ My dear Debra, I am so sorry that I missed this, no way would I had not come to share my condolences. So many memories on second street and us chasing our brothers down ❤️. Our families have known each other for generations, and it was expressed in how we grew up. Your Mom, short like mine, was always working and moving to support her children. Her Faith is what has kept her throughout these years. Much love, comfort prayers from our entire family. Leola Wilson, Rhonda Farrell-Butler

“ So sorry I did not see this sooner, Condolences to all of the Clark and associated families. Nate was a longtime good friend of my brother Harold (Derek) Young having played football together at SHS until my brother's passing. Nate passed shortly after. I was a student of Mrs. Carter long ago at Potter school, and Christine is a former classmate. Your family has touched the lives of many people. I know Mrs. Clark had to be a sweetheart. I will keep you all in my prayers as you go through this sad hard time.
