She was such a sweet spirit and we are thankful that the Lord allowed her to touch our lives. We will miss her. We know that she is with the Lord. What a wonderful place to be!!! The word says "To be absent from the body is to be present with the Lord." We are praying for your strength. We Love you!!!

“ To the Gaines family,
Sometimes in the saddest hours, we can't do anything but put our hand in God's hands. Feel Him leading you now, and know that no matter what, you are safe. You are His. And He won't let you go.

Darnell and I send everyone our love and prayers.
We will miss Aunt Ruby, and she will always have a special place in my heart.

“ To Pops, and the entire Gaines and extended family. I called her Grammy. She adopted me at a very young age, her and Roy (Dad or Pops) Gaines. I spent alot of time at her home while visiting Rhonda. Grammy was a very honest person and you knew exactly what was on her mind. Grammy was also the type of Granny that if you were doing something that you had no business doing, she did not have any problems with notifying your Parent(s). Dad, you were an excellet Son. You always talked about Grammy and would check on her all of the time. She could not have had any better children. She is gone, but she will never be forgotten. She touched everyone lives that she came in contact with in some kind of a way. BLUNT she was!! However, Soft spoken too. I love you Dad and Mom Dot!Thanks, for allowing me to also be your other daughter. Dahl
