“ My thoughts are with the family at this time. May you find comfort in the life she lived. We travel this road of life but once. Along the way many lives are touched. Remember the special moments she enhanced your lives. Over time you will remember When she..., How she..., That she... Enjoy these because your life has been touched!

“ To my family, I am deeply saddened that I cannot be with you to celebrate the life of Ruby Hall. Mother Ruby was the most loveable person that I have ever known. She had a playful spirit that brought joy to all that she knew. I loved her as my second Mother. I am saddened with the loss of my second mother, but that sadness is offset with joy knowing that she is free from pain and with the lord. Mother Ruby told me in March how much she wanted the family to be closer and to help each other. Of all the things that we were talking about, this one thing was the most important. I believe that the one thing that would make her smile is seeing all of us staying close and helping each other from this day on.

Let's make her smile.

“ *"MISS ME, BUT LET ME GO"*

When I come to the end of the road, and the sun has set for me, I want not rites in a gloom filled room. Why cry for a soul set free?

Miss me a little, but not too long, and not with you head bowed low. Remember the love that we once shared. Miss me, but let me go.

For this is a journey that we all must take, and each must go alone. It's all a part of the Master's Plan, a step on the road to home.

When you are lonely and sick at heart, go to the friends we know; and bury your sorrow with doing good deeds. Miss me, but let me go.

“ JOAN,

May the God that we serve grant you peace, comfort, and even joy in knowing that even during this time 'HE' is still in with you and in control. AND that makes everything alright.

Trust in the Lord with all your heart and lean not to your own understanding.

We love you.
