“ My condolences to Ruby's family. She was blessed with a good heart and shared her care-giving skills and talents providing loving care to her patients. I remember the day that she passed "the advancement test" while on duty on second shift at Heritage Nursing Home. She had to explain step by step what she was doing as she prepared an injection then administrated it to me. She was nervous under these combat conditions of surprise, but was confident and passed with flying colors. We both had a tear in our eyes busting with pride. Spontaneous applause from coworkers and patients around the nurses station erupted as she put on her nurses cap and new name pin of Senior Nurse Aid. Ruby was a wonderful person and employee. She earned her place in heaven. Rane Clayton
