“ To Mrs. Dugan and family,
We know for certain that we never lose the people we love, even to death. They continue to participate in every act, thought and decision we make. Their love leaves an indelible imprint in our memories. We find comfort in knowing that our lives have been enriched by having Mr. Dugan serve as a volunteer for our agency. Our hearts and prayers are with you.

Sincerely,
The Board and Staff of the CAC Center

“ My condolences to the family. It's so hard to lose a loved one. But God promises that "...in just a little while longer death will be no more, neither will mourning nor outcry nor pain be anymore, the former things have passed away." -Revelation 21:4
Our Heavenly Father also gives comfort to you in Psalms 34:18. When you are feeling sad that scripture can be so uplifting. Again, my condolences.

Respectfully,
Tanza H.

“ To Lillie and family....I am so sorry to hear about the passing on of cousin Rudolph. We were in GA when we found out. I am glad I had the chance to talk to Rudolph last month. The Lord has come back for another angel but, know that it's faith that lifts us up, love that brings us comfort, and strength that allows us to move on. Lillie, We all have good memories to hold onto. We loved Rudolph dearly but God loved him more. With much love and sadness. The Crosby's

“ Daddy, I am so happy that God entrusted you to be my Earthly Father. I was so very proud to call you my Father and I know you were proud of me.

I felt it was necessary to give you your Flowers while you were alive and that is why I ALWAYS told you how much I loved you, when were ending a telephone conversation or leaving each other to go on with our daily lives. Tony and I will miss you tremendously but we know you are being Rocked In Gods Arms. See You Soon!!
