“ *To the Boyd Family,
My heart truly goes out to your family for the loss of your loved ones. Ruth truly was a quiet, but fun-loving person. I enjoyed going to school with Ruth and Gwen. Trust in the Lord and know that he will carry you through. May knowing that you are in the hearts of others, help you and your family through this time of sorrow. With many thoughts I pray that God will forever bless you and keep you in his love. You have my prayers.

“ Lynn,

I'm so very sorry for the lost of your beautiful sister. I know that you are a child of the King. Continue to pray for yourself and family. This is the time to cry-out to Father God. Spend some one-on-one time with Him.

I would like to take this opportunity to encourage all the family members who do not have a church home, to ask God to lead you to the one of His choice. I love you guys and I will continue to pray for comfort, unity, and Godly love for the entire Boyd family.

I've sat in your seat many times; five to be exact. God will comfort you all. Remember the good times, the funny times, the times she made you laugh, and the awesome times you shared together...
