“ Ruth was a co-worker but mainly a friend that could make you laugh even when you were down. Ruth adored her family and put them first in everything that she did. Ruth will be sincerely missed but she is in a much better place than what she has been going thru for so long. A battle lost but she fought long and hard while she could.

“ I spoke with Ruth every time I picked up specimens at the office she ran. I enjoyed speaking with her about many subjects, her favorite was always her family. I admired her style and spirit. She also shared a recipe for green beans and smoked neck bones, thanks Ruth! She read my palm once too. I considered her a wise woman and asked her opinion occasionally. It is so sad, you're too young.
