“ To the family I am sorry I could not be there on this occasion to comfort you on our loss. Aunt Ruthie as I called her made me (Patricia), Teressa and Jerome call her Aunt.

She will be missed and still loved. I am still trying to get it through my head today.

But Aunt Ruthie enjoyed life on her terms enjoying it to her fullest.

“ It hit me all a sudden...my my Ruthie is gone. I thought about the dinners she prepared for me on holidays that she wasn't cooking herself. Very talented woman. Daddy always talked about what a great cook she was. Open arms, and heart. She shall never be forgotten. And yes she did house the EZELL'S family. What a great unselfish friend.....LOVE ALWAYS....

“ If you're lucky you'll meet someone in this lifetime, and although this person is of no blood relation. You'll share a bond, a bond so tight you would feel as though you're related and nothing or no one would be able to break you. Thank you Ruthie for being that person for me. Thank you for all the laughs, the shoulder to cry on, the advice and most importantly the love that you showed me. You will forever live in my heart. Love You Always and Forever, Shica.

“ An aunt is someone SPECIAL to remember with warmth and always cherish with love. She adds beauty and joy to any life. A JOY to remember your whole life through. She's a GIFT whose worth cannot be measured except by the heart. Aunt Ruthie whenever I was in your city you made my life a little SWEETER. You ALWAYS treated me lovingly and kindly. I'll never forget how special that made me feel. Aunts like you are PRECIOUS and few. I reminisce over our last conversation and I'm saddened to know that would be the last. My memories of the time and laughter we shared will always comfort me. You were a WONDERFUL AUNT! I'm sure we'd both agree we had so many LOVELY moments to keep in my memory. Aunt Ruthie, you're FOREVER in my heart.
Love Always,
Denise
