“ *Those few years that we were together in Saginaw 40+ years ago seems like only yesterday. One of the precious things that I will miss about Sam is that laugh, boy could he laugh. When Sam laughed, the whole world laughed with him; and he laughed a lot. Sam everyday I try to laugh like you, and as much, because I have learned that tomorrow is not promised to any of us. There is much sorrow. Losing Sam brings sorrow, but remembering Sam's laughter brings laughter. I thank God and Sam for allowing me to have shared that experience, and I will remember it UNTIL THE DAY I JOIN SAM. Dorothy, I send my love to you and all the family.*
