“ *Uncle Sam, it breaks my heart💔 to be writing on your tribute wall. Me & you shared a very special bond all the way back when I was a kid, you use to let me ride with you & you would tell me jokes & even as a grown man you still kept me laughing. You were one cool uncle & I enjoyed every moment that we shared. You were a good husband, good son, good father, good uncle, good grandfather, good cousin, & good friend to so many. As long as I live your memories will live through me. I already miss you uncle, I'm just hurt but most of all I'm also elated that we got to spend some quality time before GOD called you home, we got to talk & laugh again & I cut your hair for you not knowing that would be the last time that we would see other. Uncle Sam I love you forever more & You will never be forgotten as long as I have breath in me. Rest in Paradise & hug Daddy, and MaDear for me, I will see you all again when the good Lord calls me home as well.*

*Rest Up with the King, Job well done Uncle Sam down here on earth! 🙏❤️🙏*
