“ I just want to say that I have known the Davis family for about seven years and I feel like I'm a part of their family. When I heard about Sandra's death I was so sad because she was such a nice person. I hope that the entire Davis know that I feel their pain and understand what they are going through. I want you to know that its going to get better as time goes by so just keep God in your life and know that Sandra is in a better place away from all suffering and pain. Love Ms.T and Sir Quarius

“ We were saddened to hear of your recent loss. Our prayers are with you and may you allow the Lord to comfort you like no one else can. Always remember the good times and know that although she has been removed from her earthly home she will never be removed from your hearts.

“ To the Family: I was saddened to hear of the passing of "Sandy", and am sorry I couldn't be with you at this time.

Remember that your loss is shared by me, and the many friends who care. You're in my thoughts and heart and in my every prayer.

you today, and may the love of friends and family be a source of
