“ I send my deepest condolences to Jasmine and the family. A little over 8 year's ago me and Shanika became friends from our daughter's playing basketball together. I had gotten to know Shanika on a personal level working at a Summer Day camp as a employee of hers as well as working close together for Saginaw Public School. Shanika was a wonderful mother that loved Jasmine beyond words. She had a special kind of love for kids that she came into contact with. I appreciate all the funny memories I shared with her. I know personally my daughter Lexi will miss her as well. They had a close relationship as my daughter called her mom also. This is a hard pill to swallow but I know that I know Shanika is now walking the streets of Glory. I love you my friend may you rest in heaven.
