“ Ooooh. No !!! I'm so shocked to see this announcement todayOur family lived in the same neighborhood as SEAN and her parents lived waaaay back in the day when Sean and my son/nieces/nephews were young :they all played and grew up into young adults; eventually left home and moved away ...the last time I saw Sean she was working at Macy's & believe it or not we recognized each otherit was a pleasure to see her even for the brief time we had to chat about family and past memories ..My family sends deepest condolences and prayers to her family and all who knew her and loved her :such a pleasant young woman .. To her mother remember “GOD makes NO MISTAKES : to be absent from the body is to be present with the LORD “I will always keep SEAN alive in my heart because of the memories of her in my heart ...LIZ we love you and are praying for you and with you and your family and friends ...
