“ I’m still speechless. Shawn, became family to everyone who encountered him. He taught lessons and mentored people who thought they had it figured out. Shawn kept in touch with everyone and made us all feel uniquely special. Thank You, Lord, for the wonderful gift of Shawn’s life - because he certainly lived for others and cared for us all. Shawn will be dearly missed! 🥹

“ *Ms. Brenda and Williams Family. This is a difficult sentiment to write as Shawn was very special to our family. Although it's been years since we've been in touch, I wanted to take a moment to reach out and share my heartfelt support. Shawn was a nice guy, always friendly, and thinking of others. His physical presence will be missed in this world, but his spirit will remain in the heart. I pray for your strength, as I know these have been difficult days to get through. Sorrows will ease in time. With love and support.*

I luv yhall this just don't seem real. When you came home you always called to say you hit the block to pull up in the back yard to chop it up like you and Les always did.. Funny how life leaves memories tattooed on your heart...One thing I will always cherish is all of our love for classic cars and ole school music.. Rest on my brother were already missing you.. 💔*
