“ To the O'Neal family, please accept my sincere condolences. I pray that you will be comforted and strengthened knowing that God knows the depth of your sorrow. No one can better comfort us in our time of grief than our heavenly Father who created us. He lovingly comforts us by means of his inspired written Word and he promise that death is not the end as He has provided a guarantee of a resurrection by allowing his own precious son Jesus Christ die in our behalf. “ *WHS lost a valuable member of our family. Shedrick was employed with us over the past 19 years and was the constant professional. His passion for children showed in his everyday approach. Shedrick was well respected by the clients and staff at Wolverine Secure Treatment Center. He declined several opportunities for higher level positions throughout his career because he wanted to work directly on the frontline with children. We were blessed to have him on our team and his work ethic and passion inspired many to become better child care workers.*

Thanks you to the family for sharing your values through Shedrick. You have much to be proud of as he was truly a great human being. Shedrick will be greatly missed by the clients and staff in our agency.

Condolences,

Lou, my husband - David Lawrence, Jr. has always shared his memories of Saginaw High Trojans and he could never tell the story without mentioning your name among others. I was so happy when I heard him talking to you over the Memorial Day holiday because he was so worried about you. Little did we know God was looking on his Roll and your name was coming up. You left a lot of good memories for your family and friends. They understand that God needed you more. Our hearts are saddened that you are gone so soon, but we will all see you again on that golden court under the golden hoop. RIP

“ *I'm very sorry and saddened to hear of Lou's transition. I played basketball with Lou for two years at SVSU. Despite all of his success, he was humble and soft-spoken. I wish Lou and his family all of God's love and blessings...*

“ *Condolences to the O'Neal Family. It is with sadness in my heart that I have to say good bye to a family friend. I have seen you and my brother walk this journey all of my Life. I know that we all loved and cared about deeply. Because we hurt when our family hurts. We know that God has a roll to call and he knows all about who where and the When. I pray that his blessings will be with you family as they walk down this road. To be absent from the body is to be present with the Lord.*

“ *Condolences to the O'Neal family. I, too, am very sad that Louis has transitioned. However, his escape from sickness and pain makes it tolerable. I will always love you guys. I pray that your grief is met with much comfort in that, "He" bored our griefs and is near to the broken hearted and saves the crushed in spirit. 🙏💕*
