“ Shender and her Mother were one of the first people that I entrusted my most valuable "cargo", my children. Shender not only attended to them in her home but I could count on her to check on them while they were in attendance at Bethel Day Care. Even if my job took me away, I could count on Shender to care for them. I'm going to miss that beautiful smile and that "fun-loving" personality that made you smile and sometimes fall out with laughter. She also used her God-given talent, her voice. I'm going to miss her mellow, beautiful voice. Shender, I just know that even though you are absent from the body, you are DEFINITELY present with the Lord. May God keep you "Box", Gracie and the entire family, in PERFECT PEACE! Stella, Shalon , Valecia, Sanaa & Nahla Johnson

“ So very sorry to hear of her death. She was an awesome person. She was kind and caring. Shenda played a major role in our family. She was a wonderful daycare teacher to my granddaughter, Nikki McKandes in the Bethel DayCare Center. Years later. Shenda took great care of Nikki's son. Camryn McKandes. While she was in the Navy. She became a part of his. Village. He loved her and Box very much. In fact, even after he graduated from high school and went into the AirForce, he never forgot them. He always visited them when he came to Saginaw. That was one of his first stop. They are both hurt by her passing. She was family to us. I am going to miss our chats and giving her updates on my granddaughter and great grandson. Heaven has gained an precious angel who will be forever in our hearts. A precious jewel has gone to her Heavenly Father who awaits her arrival with His loving outstretched arms and angelic choir. My prayers to Box, Gracie. and other family members. We will see her again! Take your rest My loving friend, you fought a good fight and kept the faith.

“ Condolences to Gracie and entire family. Whenever the Bamacians were on program at our church I always looked forward to seeing Shenda. She used to tease me and call me "Twin" because she thought Karen Wms and I looked alike! I last ran into her at the grocery store and we stood and laughed and talked a long time. Yes I will miss this Sister. We had alot in common. I know you've made it over Shenda. Wear your crown. God heard your songs of Zion. I know He met you with open arms.
